2. Tell children that they are the most important ingredients of any school! (children)
3. Tell children to think about children in each Class/Year group as you read out Class Year Group names
4. Read out and add class names to bowl.

Word

Some of you may have brothers and sisters in these classes. Some may not. But you have now because we are all brothers and sisters in our school family and in God's family.

Close your eyes and think about how you can play a part in creating a happy school.

Symbolic Action

Invite children to share this thought: To make a happy school we need (\*optional resources)

Teacher/leader: There are always extra things we could add to make our school a better place.

Add 'spices' to mixing bowl or write out children's own ideas.

Prayer:

Let us remember that as many hands build a house, many hearts make a school.

Go forth/Mission/Challenge

Teacher/leader: As Year 2, you are Top Infants. You have a really important part to play - especially within the infants. Try really hard to help one of your younger brothers or sisters today/this week.
